THE WORLD'S NEW SUPER HERO.. KIND OF!!

The world has a new super hero, well kind of... Bingo the Super Bunny sprung out of bed and hopped excitedly around his bedroom. It was the first day with his new super powers... "Wicked Awesome!!" he shouted. Bingo felt like he could do anything... skateboard, play guitar, fly, catch bullets in his teeth, okay well maybe he couldn't do THAT, but he felt he could do ALMOST anything. He flexed his muscles, admiring himself in the mirror. There was a knock on Bingo's bedroom door.

"Hey Bingo are you awake or just sleep hopping again?" said a familiar voice.

"I'm up and at it, come in if you have pink feathers and wear green boots," called Bingo.

Gina Galah looked down at her pink feathers and green boots, smiled and then entered the room.

"Let's have some breakfast and get going, we've got a lot of super work to do today," said Gina G.

"Ah... maybe later. I've got some stuff of my own to do..." replied Bingo. He was bouncing around his bedroom which made Gina G's head bob around as she watched him.

“You know Bingo, with great power comes great...”
Before Gina G could finish Bingo interrupted.

“Responsibility? I’ve seen the Spider-Man movie,” Bingo said confidently.

“Actually, I was going to say that with great power comes great opportunity,” said Gina G.

Bingo stopped hopping briefly, he was curious.

“Opportunity? Whaty, whaty, what the?” he asked.

“Yes, opportunity to do good things for a lot of people and animals that need our help,” Gina G explained.

Bingo started hopping again and said, “Yes, but today I’m going to show all my friends my new awesome super powers.”

Bingo did a back flip and accidentally landed on his skateboard. The skateboard shot out from under his feet

propelling him into the air with a super fast triple spin. The skateboard knocked over a lamp, bounced off the wall and rocketed back like a missile at Bingo who jumped in the air and caught the skateboard with one paw. He put both feet on the board, then landed the skateboard on the floor. He kicked the board up into the air and grabbed it in his left paw.

“Oh come on we can save the world later, let’s go hang out and show off... I mean show up at the beach and impress... I mean impress upon our friends the great awesome opportunity that great power brings,” said Bingo hopefully.

“Okay, but first we have a few super hero tasks to do,” said Gina G.

“Sorry... a bit busy today, have your people talk to my people,” said Bingo.

“I AM your people Bingo,” said Gina G.

“Well have a good chat to yourself, should be an intelligent conversation, you’re very clever,” said Bingo over his shoulder as he started to walk out of the room, his paw on the door knob.

“Well I guess I’ll just have to do this mission solo if you’re too busy,” said Gina G acting in an offhand manner.

“Ah ha, a mission - that sounds cool. Rampaging Robots to Repel, Alien Attacks Allayed, Evil Emperors Extinguished!”

“It’s not quite what you’ve imagined in your thought bubble,” said Gina G.

“Still a super hero mission - that’s gotta be so cool. My first mission... when do we start?” bubbled Bingo excitedly.
